HOW TO USE CANVA

1. Create a free Canva account

Go to canva.com and sign up — it's free!

2. Click any template link

Each link opens a professional template in Canva.

3. Click 'Use this template'

This creates YOUR OWN copy — the original stays safe.

4. Edit everything

Change text, colours, images, fonts — make it yours.

5. Add your logo

Upload your logo and drag it onto the design.

6. Download

Click Share > Download > choose PDF or PNG.

7. Print or send digitally

Take to a print shop or email/text to customers.
