

Consent & Waiver Form

Acknowledgement of Risks

1. I acknowledge that tattooing involves piercing the skin with needles and depositing ink beneath the surface. I understand this process carries inherent risks including, but not limited to, infection, allergic reaction, scarring, and keloid formation.
2. I confirm that I am at least 18 years of age and am not under the influence of alcohol or drugs. I have disclosed all relevant medical conditions, allergies, and medications on my intake form.
3. I understand that variations in colour, size, and exact placement may occur due to the nature of the tattooing process. Minor adjustments may be made by the artist to ensure the best possible result.
4. I understand that the final outcome depends on proper aftercare. I have received and agree to follow all aftercare instructions provided by the studio.
5. I release Ink & Soul Tattoo Studio, its owners, artists, and employees from any and all liability, claims, or damages arising from the tattoo procedure, including but not limited to infection, allergic reaction, scarring, or dissatisfaction with the final result.
6. I consent to the use of standard sterilisation and hygiene practices employed by the studio. I understand that all needles and inks used are single-use or properly sterilised.
7. I acknowledge that tattoos are permanent. Touch-up sessions, if needed, are subject to the studio's touch-up policy.

Assumption of Risk

I voluntarily assume full responsibility for any risks, injuries, or damages that may occur before, during, or after the tattoo procedure. I agree to hold harmless and indemnify Ink & Soul Tattoo Studio against any claims, suits, or actions of any kind.

I have read, understood, and agree to the terms above.
